## Teen Read Week

Teen Read Week is the national literacy initiative of the Young Adult Library Services Association, a division of the American Library Association. It is celebrated by thousands of libraries and bookstores across the country every year. Young people know that reading is important, but with so many activities to choose from when deciding how to spend free time, reading can get lost in the shuffle. Reading skills get rusty when they are not used, so it is important to keep reading just for fun! Visit the library to find something that inspires you to read.
