BOOKMOBILE INFORMATION

The bookmobile provides library services to people in the library district who are unserved or underserved due to physical, economic, social, geographic, or other barriers. One of the goals of the bookmobile is to provide information to people of all ages and abilities for their recreation, education, and lifelong learning.

The bookmobile is a library on wheels with books, movies and TV shows on DVD, and audiobooks for children and adults. Check out items on the bookmobile and return them at the bookmobile or the library. The bookmobile also provides wifi, computer workstations, and a printer.

Sign up for a library card on the bookmobile! A library account provides you access to a variety of digital resources, such as the OverDrive Digital Library, Mango Languages, and TexShare databases. All you need is a valid Texas driver's license or other proof of Texas residency.

Request books and have them delivered to your bookmobile stop! Register your account with your bookmobile stop and select "Bookmobile" as the pick up location when reserving items online. The item will then be available at any bookmobile stop. The bookmobile schedule is subject to change. Please check the website for updated information.
