

About the Summer Reading Program

Rock your way through June and July at the Lake Travis Community Library during our eight week summer reading program! We will show you how "Libraries Rock"! Join programs and check out books that entertain, delight, and help you find your groove! While reading is its own reward, we also have prizes - the more you read, the more you win!

Summer Reading Program Kickoff Party Saturday, June 2nd 10:30 am - 12 pm

Join us to celebrate the start of summer! Tiny Tails to You! will bring their baby animal petting zoo, children's musician Joe McDermott is set to play some great tunes, and we will enjoy delicious refreshments. Make summer crafts, get fun washable face tattoos, and pose at the photo wall. See you there!

Summer Reading Program Finale Friday, July 27th 4 pm - 5:30 pm

Celebrate a successful summer of reading at our Summer Reading Program Finale! We will enjoy cold treats from the Kona Ice truck, live music with Mr. Will, and make some chill crafts in the Children's Room. Plus, we will draw prizes for the adult and teen reading raffle contests!
